TO THE PHYSICIAN:
Your patient has requested that medication or equipment be utilized in school. Ideally, the administration of medication or utilization of equipment should take place at home. However, for students who require medication/treatment during the school day in order to function in the classroom, School District Policy does permit selected school staff to administer medication. In some cases, students may self-administer their medication.

School District Policy also permits the use of equipment/machinery in those instances where similar equipment is kept by the child's family at home, and such equipment/machinery is necessary in order to enable the student to function in the classroom. Instruction for use and precautions should be spelled out in detail.

(IF YOUR PATIENTS MEDICATION OR TREATMENT SCHEDULE CANNOT BE ALTERED SO THAT ALL ARE RECEIVED AT HOME, PLEASE COMPLETE THE REQUEST ON THE REVERSE SIDE - A SEPARATE REQUEST IS REQUIRED FOR EACH MEDICATION OR TREATMENT).

When the medication/treatment prescribed exceeds or differs from that approved by the FDA or recommended by the manufacturer, you and the child's parent will be required to submit written detailed information to the School Nurse. This must include a list of side effects and confirmation that all side-effects have been explained to and are understood by the parent. Any particularly dangerous conditions being experienced by the child should be spelled out in detail, with the procedure to follow should a reaction occur.

Please fill in all of the spaces. Missing information will cause the form to be returned to you. This will cause a delay in your patient receiving medication/treatment.

Thank you.

School Health Services

DEAR PARENT/GUARDIAN:

Some children need the administration of medication or special equipment in order to function in the classroom. Ideally, this should take place at home. If your child's medication/equipment schedule cannot be altered so that everything can be administered at home, you can request that they be given in school by seeing the school nurse or principal. When the medication/treatment prescribed for your child exceeds or differs from that approved by the FDA or the manufacturer, you and your health care provider will be required to submit additional written information to the School Nurse prior to approval. Once the request has been approved by the School Nurse, you will be required to bring the medication to school properly labeled and packaged by a Registered Pharmacist. The medication bottle must have Saf-T-Closure Cap and the label must include:

- * Patient Name
- * Pharmacy Name
- * Pharmacy Address and Phone#
- * Prescription Number
- * Prescription Date (current)
- * Name of medication, dosage form, expiration date (if relevant)

For special equipment, services in school will be provided only if you have such equipment in your home. You must provide the equipment as well as repair and replace it when necessary. After the request is approved, you will be asked to bring the equipment to school and to demonstrate its use to selected school staff. Operating instructions must accompany the equipment.

This procedure must be repeated each school year and/or each time there is a change in dosage. Parents/guardians must pick up unused or expired medication in person, or send an authorized responsible adult with a note from you. Unused medication which is not picked up within 10 days, or by the last day of school, will be destroyed/discarded. If you have any questions on this procedure, please contact the school nurse or school principal.

Thank you .

Adaire Non-Negotiables

Hello,

Thanks so much for your interest in our school. We are a K-8 neighborhood public school with a 100+ year history in Fishtown. We are very proud of being a public school and take our commitment to the larger district very seriously. While we consider our perspective progressive and pride ourselves on having open hearts and minds we also know that there are a number of things about our school that will likely never change. We want to highlight those things for you right here at the very beginning of our relationship. If you have questions or feedback please do not hesitate to get in touch.

Sincerely,
Principal Jenkins

- Communications: Our main form of communications is our weekly eNews. It is generally published every Sunday night at 5 PM during the school year. This is the most current and accurate form of communication between school and families. Facebook, Instagram, Twitter or other social media platforms are NOT our main forms of communication. If you have a question we ask that you contact your child's teacher, Principal Jenkins ajenkins@philasd.org or the School Based Teacher Leader, Harmony Claus hclaus@philasd.org Sign up for e-news at www.friendsofadaire.org
- The official school year start date for 2021/22 will be posted at Philasd.org. **Attendance, on-time arrival or early dismissal is not optional.** A student that is repeatedly late, leaves early, or has unexcused absences will potentially lose privileges that might include field trips, field day, or other activities. Excessive lateness or unexcused absences involve serious consequences. Family vacation trips are NOT considered excused. Extending scheduled school holidays with additional family trip time absolutely negatively impacts the entire class and overall school attendance.
- Family contact information, Immunization records, medical forms and dental forms must be up to date and submitted. If contact information changes you must inform the main office.
- Emergency school closings (usually due to weather), fire drills, shelter-in-place drills and lockdown drills will happen. Teachers will use age appropriate language to talk about these mandated exercises. And we encourage families to prepare their children to expect loud noises and to follow all teacher instruction.
- Homework will be assigned. For some of the lower grades, K-1, teachers may use an activity based homework model. Homework is assigned a minimum of four nights a week in all subjects. Reading should always be included in a child's life at home. Educators recommend a minimum of 30 minutes per day, everyday. For younger children this might be 30 minutes of a caregiver doing the reading and for older kids they should be encouraged to read on their own.
- Play: We work hard to maintain a very intentional culture of play. Our guidelines include the following:
 - Have FUN and remember that everyone can play!
 - RESPECT yourself and others.
 - PLAY HARD: Not too hard! The schoolyard is a NO-CONTACT zone.
